**Principal Melvin J. Bowen**

There are many qualities that make a man a leader and a good administrator. Mr. Bowen has many of these qualities.

He possesses great enthusiasm, both in his work and outside in the field of sports. However, the one quality that stands out is his intense interest in Lincoln High School and south Des Moines. This is evident in the stature that Lincoln enjoys under his leadership.

**Boys Advisor**

Mr. Dickson, boys advisor, has gained the respect of all those who have dealings with him.

Probably no one has more to do than Mr. Dickson yet, he never is too busy to listen to the many problems brought to him.

## Music

*Of all the arts this is perhaps the most pleasing and universal. Rhythm and melodies will always be a part of our lives. You do not have to be a member of the band to respond to music.*

*We have many musical groups at Lincoln and they entertain at assemblies and various functions throughout the city. They perform with great skill and have brought many honors to the school.*

## Journalism

*The process of making a semi-annual is a bit staggering to the staff at the beginning of the year. At first we have many ideas, plans, and suggestions combined with pep and enthusiasm. As the year wears on we find out there are hundreds of details to be worked out; pictures to be taken, books and ads to be sold, layouts to be considered, written material to be inserted, correct identification of pictures, to mention only a few.*

*The staff of the June 1963 semi-annual hope they have succeeded in giving you a brief picture of the year 1962-63 at Lincoln High.*

## *Russian Class Highlights*

MISS KIRKHOFF, Advisor

**Lincoln is the only high school in the state of Iowa offering a class in Russian.**

**The popularity of the course has increased and the opportunities in this field are enormous.**

Russian club members were delighted with the Russian food served at their Christmas party.

Russian students find it easier to learn in Lincoln's modern language laboratory.

CONSIDER...  
**A CAREER**  
...NOT A JOB

When looking ahead to your business life, you want to think beyond just a job. Consider the kind of business career you want and judge the qualities of the company which is a part of that business. Life Insurance is a good business and the Equitable Life of Iowa is a good company — offering so many opportunities for the career man or woman.

Look into the Equitable, and you'll find all of the so-called fringe benefits offered by business generally, plus some that only Equitable has for you. Most importantly, there are so many phases of life insurance

work that your opportunities for advancement and permanency are limited only by your own ability. In the Personnel Office, 1105 Equitable Building, you'll find Miss Pat Bush — discuss with her all the opportunities that exist for you at the Equitable — you may choose your career right now.

**THE FINEST THING A HUNTER CAN SHOW FOR HIS SKILL IS  
A BEAUTIFULLY MOUNTED TROPHY**

Whether your trophy is a magnificent specimen of deer from America . . . a lion from the jungles of Africa . . . or a trout from Alaska . . . yes, be the trophy large or small—from any part of the World—when mounted by **JOE RUPERTO TAXIDERMIST**, it fairly "breathes" memories of your hunting adventures . . . brings back joyous remembrances of that stimulating challenge to your skill, of the moment when your eyes first beheld that handsome creature.
